

Find a doctor and estimate your costs

Better information can help you make better choices

Thinking about where to go for health care? With our easy-to-use cost estimator tool, you can identify network doctors and hospitals and estimate your out-of-pocket costs — all in one place. Compare prices — for office visits, procedures, tests, surgeries, vaccines — and learn more about health care providers before you decide where to go.*

To access the cost estimator tool:

- Log on to myibxtpabenefits.com. Choose My Care at the top of the page.
- Start by searching health care provider information or looking up a service or procedure you are interested in.
- See information about the average cost of that care in your area.
- Get a personalized estimate of your out-of-pocket costs, based on your health plan and what you have already paid during the benefit year.

- Check out information about doctors or hospitals using profiles and nationally recognized quality measurements. Read reviews from other plan members when available. Compare up to five doctors or hospitals on a variety of factors.
- The Find a Doctor and cost estimator tool can help you make confident decisions about your health care spending.
