Goldfinch Health Surgical Benefit

A Better Approach to Surgery and Recovery

Conner Strong & Buckelew has partnered with Goldfinch Health to provide employees, and your dependents enrolled in the health plan, with a path to experience the most advanced surgical techniques—**AT NO COST TO YOU.**

When you are considering surgery, Goldfinch Health's team of surgery experts provides you a clinically -validated health navigation approach to surgery that delivers the best possible experience from pre to post-op. Your personal Goldfinch Nurse Navigator can help:

- Match you with providers who drive better clinical outcomes and high patient satisfaction
- Shorten your recovery time after surgery by 2X or more
- Minimize opioid painkiller use
- Reduce pain and complications

Global Core

Access to Care When You Travel or Go Abroad

If you are enrolled in one of Independence Administrators medical plans, you can take your healthcare benefits with you when you are traveling or living abroad. Through Global Core, you have access to doctors and hospitals around the world.

MD Anderson Cancer Center At Cooper
