

Blue Distinction® Center+ Finder

Helping you get the right care and manage your health care costs

We know how challenging it can be to find the right place to get care. That's why there are Blue Distinction® Center+ facilities, recognized for their expertise and cost efficiency.

High quality

We've turned to the medical community for input on how to measure facility performance. Our evaluation criteria are based on what affects you and your care the most, including:

- the medical team's experience;
- how many times the facility has performed the procedure;
- a facility's track record for procedure results.

Cost efficient

The allowed amount for a procedure is generally lower at a Blue Distinction Center+ facility, which means the coinsurance you pay will be based on lower costs. This can help you keep more money in your pocket. And Blue Distinction Center+ facilities are shown to reduce the occurrence of costly hospital readmissions.

Best of all, Blue Distinction Center+ resources provide you with the education you need to make better informed decisions about your health.

Blue Distinction Centers (BDC) met overall quality measures for patient safety and outcomes, developed with input from the medical community. Blue Distinction Centers+ (BDC+) also met cost measures that address consumers’ need for affordable healthcare. Individual outcomes may vary. National criteria is displayed on www.bcbs.com. A Local Blue Plan may require additional criteria for facilities located in its own service area. For details on Local Blue Plan Criteria, a provider’s in-network status, or your own policy’s coverage, contact your Local Blue Plan. Each facility’s cost of care is evaluated using data from its Local Blue Plan. Facilities in CA, ID, NY, PA, and WA may lie in two Local Blue Plans’ areas, resulting in two evaluations for cost of care; and their own Local Blue Plans decide whether one or both cost of care evaluation(s) must meet BDC+ national criteria. Neither Blue Cross and Blue Shield Association nor any Blue Plans are responsible for damages or non-covered charges resulting from Blue Distinction or other provider finder information or care received from Blue Distinction or other providers.
